Section 5: Qualitative Assessment

1. Describe how HEAP funds have contributed to your Continuum of Care making progress towards local homeless goals (e.g. additional services provided, capacity created, systems building, investments made, lower waitlists, etc.)

Several new shelters as well as increased services have occurred in Orange County as a direct result of the award of HEAP funds. Without these funds, programs would not have been put in place as quickly. The additional funds have created an opportunity for public private partnerships which is an outstanding model.

2. Describe how HEAP funds have contributed to your Continuum of Care making progress towards local youth homelessness goals (e.g. additional services provided, capacity created, systems building, investments made, lower waitlist, etc.)

Same as above.

3. Describe the alignment between HEAP-funded activities and "Housing First" principles (as defined in Welfare and Institutions Code section 8255).

With the concept that people need basic necessities like food and a place to live before attending to anything less critical, HEAP funds are able to provide the direct correlation by these

4. Please provide any additional feedback on the impact of HEAP funds that you would like to share with the Homeless Coordinating and Financing Council. (Optional)

ADDITIONAL COMMENTS:

While the City of Santa Ana did not spend funds in the first year of reporting, funds are now being used for Services at the Link Interim Homeless shelter and for Capital Improvements for the new permanent shelter.
