

# TRIBES AND COCS: PARTNERSHIPS AND POINT-IN-TIME (PIT) COUNTS

SEPTEMBER 4, 2025 | 10:30AM-12PM | ZOOM

Cal ICH is proud to partner with community leaders to share experiences and highlight the benefits of collaboration between Continuums of Care (CoCs) and Tribal Partners in conducting Point in Time (PIT) Counts.

**This 90-minute session is for leaders and representatives from California Tribes and CoCs interested in enhancing data collaboration and improving Tribal homelessness data.** The session will feature a panel discussion with Tribal and CoC representatives focused on:

- ✓ **Strengthening partnerships for more accurate PIT counts**
- ✓ **Improving data equity for Tribal communities**
- ✓ **Sharing tested strategies and best practices**

## Panelists:

**Vevila Blossoming  
Bear, MSW (Choctaw)**

Cal ICH Tribal Liaison

**Priest Martinez  
(Redwood Valley Little  
River Band of Pomo  
Indians)**

Manager for Northern Circle  
Indian Housing Authority

**Peter Connery**

Vice-President and CFO of  
Applied Survey Research

**Veronica Wilson, MSW**

Program Administrator,  
Mendocino County Housing  
Coordination Unit

**This is the first in Cal ICH's bi-monthly Listen & Learn Webinar Series, designed to provide local homelessness systems with:**

- Proven models and best practices
- Methods to break down silos
- Opportunities for peer-to-peer engagement
- Follow-up support from Cal ICH staff
