Committee Discussion

IV. Action Plan for Preventing and Ending Homelessness – Local Level Implementation

- Overview of Action Plan for Preventing and Ending Homelessness in California
- Feedback and opportunities to advance strategies at the local level

Action Plan for Preventing and Ending Homelessness

- Originally adopted March 2021, updated and adopted September 2022
- Comprehensive collection of state activities to address homelessness
- Plan covers FY 20-21 through FY 22-23
 - Reported annually
 - Pending updated version for FY 22-23
- Vision: homelessness is rare, brief, and one-time
 - Increased leadership from the State
 - Purposeful, action-oriented coordination and alignment
 - Stronger, collaborative partnerships

Action Plan Structure

ACTION AREA 1

Strengthening Our Systems to Better Prevent and End Homelessness in California

ACTION AREA 2

Equitably Addressing the Health, Safety, and Services Needs of Californians Experiencing Unsheltered Homelessness

ACTION AREA 3

Expanding Communities' Capacity to Provide Safe and Effective Sheltering and Interim Housing

ACTION AREA 4

Expanding and Ensuring Equitable Access to Permanent Housing in Our Communities

ACTION AREA 5

Preventing Californians from Experiencing the Crisis of Homelessness

Action Area 1. Strengthening Our Systems to Better Prevent and End Homelessness in California

Activities focused on pursuing racial equity in response to homelessness and housing instability; engagement and partnership with people with lived expertise from experiences of homelessness; supporting interjurisdictional and regional planning; partnerships to strengthen outcomes related to education, employment, income, and assets; disaster preparedness and response; and communications and public awareness.

► Objective 1

Strengthen racial equity-focused activities of State agencies and of local agencies and organizations receiving State funding for homelessness services and housing activities.

► Objective 2

Ensure that State and local planning and decision-making processes are deeply informed and guided by recommendations from people with lived expertise from experiences of homelessness.

► Objective 3

Incentivize and support cross-sector, interjurisdictional, and regional planning, decision-making, and accountability.

Action Area 1. Strengthening Our Systems to Better Prevent and End Homelessness in California

▶ Objective 4

Improve access to education and employment services and opportunities for people at risk of, experiencing, and/or exiting homelessness.

▶ Objective 5

Support California communities to develop disaster preparedness plans and public health strategies more inclusive of the needs of people experiencing homelessness.

▶ Objective 6

Increase public awareness of the State's homelessness strategies, successes, challenges, and the importance of Housing First approaches, trauma-informed care, and other best practices.

Action Area 2. Equitably Addressing the Health, Safety, and Services Needs of Californians Experiencing Unsheltered Homelessness

Activities focused on addressing health and safety needs and increasing access to State-supported services and programs for people who are experiencing unsheltered homelessness.

► Objective 7

Support California communities to strengthen outreach efforts and to address the health and safety needs of people experiencing unsheltered homelessness.

► Objective 8

Provide equitable access to essential State-supported programs and services, including health and behavioral health care services, for people experiencing unsheltered homelessness.

Action Area 3. Expanding Communities' Capacity to Provide Safe and Effective Sheltering and Interim Housing

Activities focused on expanding the supply of safe, housing-placement focused sheltering and interim housing models and addressing health and services needs of people staying within such programs.

► Objective 9

Partner with communities to implement innovative approaches and expand the supply of safe, housing-placement focused, and trauma-informed sheltering and interim housing models for Californians experiencing homelessness.

► Objective 10

Expand alignment and engagement of State resources, including health and behavioral health care resources, to address health and services needs among Californians temporarily staying within sheltering and interim housing options.

Action Area 4. Expanding and Ensuring Equitable Access to Permanent Housing in Our Communities

Activities focused on strengthening Housing First approaches and expanding permanent housing opportunities through development strategies, short- and long-term rental assistance, and other rehousing activities.

► Objective 11

Strengthen implementation of Housing First approaches and other best practices in support of equitably and urgently rehousing people from shelters, interim housing, and other temporary settings, and from unsheltered homelessness.

► Objective 12

Foster the creation of an expanded supply of affordable and supportive housing opportunities, paired with appropriate health and behavioral health care resources, that are accessible and culturally responsive to people exiting homelessness, to people at lowest income levels, and to people from historically marginalized communities.

► Objective 13

Improve access to short-term, longer-term, and flexible forms of rental assistance to support racially equitable and successful exits from homelessness, and to support housing development activities.

Action Area 5. Preventing Californians from Experiencing the Crisis of Homelessness

Activities focused on reducing entries into homelessness as people exit and/or receive services through State-funded programs and systems and enhancing communities' capacity to provide targeted homelessness prevention and diversion services and assistance.

► Objective 14

Reduce entries into homelessness as people exit and/or receive services from State-funded settings and systems, addressing racial inequities within risks of experiencing homelessness, and including a focus on people re-entering communities from jails and prisons, young adults connected to the child welfare and/or juvenile justice systems, and people exiting health care settings and programs.

► Objective 15

Enhance communities' capacity to provide targeted homelessness prevention interventions and to successfully divert people from entering shelter or experiencing unsheltered homelessness.

Committee Discussion

- How do you see these Objectives or Action Areas being implemented in local communities?
- What are ways in which you have seen implementation of these activities and objectives be successful at the local level?
- Where are some of the gaps that need focus in order to improve the effectiveness of this Action Plan at the local level?
- Is there any other feedback you would like to provide to the Council regarding the effectiveness of these activities and objectives at the local level?
