

LIVED EXPERIENCE ADVISORY BOARD (LEAB)

The LEAB partners with the Council and state departments to improve their projects and programs to more effectively prevent and end homelessness.

Submit a request to include their voices and expertise in your initiatives and programs!

THE LEAB CAN PROVIDE
INPUT AND EXPERTISE
ON...

- Goals and metrics for measuring program success
- Guidelines, policies, and operating procedures
- Program and systems design
- Needs of encampment communities
- Improving program implementation, service delivery, housing outcomes, and more
